For the attention of the owner/ occupier

Dear Neighbour

The St Peter's Way eastbound carriageway will be closed between the St Peter's roundabout and the M25 J11 for a full weekend while our team carry out drainage works and utility crossings underneath the carriageway.

The road will be closed for a full weekend from **8pm Friday 15th August to 5am Monday 18th August.**

A signed diversion will be in place via Guildford Road southbound towards Ottershaw, Murray Road then Spinney Hill, Church Road, the A318 Chertsey Road and returning to St Peter's Way.

Due to the nature of our works, no access for emergency vehicles will be permitted during the closure. When planning this closure, we liaised directly with the emergency services to ensure as little disruption as possible is caused to these vital services.

We would like to take this opportunity to thank you all for your patience and understanding while we carry out these improvements works to this vital stretch of road and apologise for any inconvenience caused.

Keep in touch

If you would like more information about the improvements to the A320 between Ottershaw and Chertsey:
