

Our Ref: TA24 L32
Your Ref: St Peters Way and Murray Road Closures

01 April 2026

For the attention of the homeowner or occupier

Dear Neighbour

St Peter's Way

To continue works on the St Peter's Way Roundabout, we need to carry out an overnight closure of the westbound carriageway, along with the 'southeastern' section of the roundabout itself. The closure will allow our team to carry out some essential white lining works along with works to the new traffic signs, signals, and the road surface itself.

The St Peter's Way westbound carriageway and Southeastern section of the roundabout will be closed from **10pm – 5am overnight on Thursday 9th April.**

From Friday morning, St Peter's Way will be reopened to 2 lanes, with one lane remaining closed on the eastbound carriageway to allow us to carry out further works.

During the above closure, the following roads will be closed:

- St Peter's Way westbound between the M25 J11 and St Peters Roundabout.
- Guildford Road southbound between the St Peter's Roundabout and the Ottershaw Roundabout.

During this closure, a diversion will be in place via St Peter's Way eastbound, Chertsey Road, Spinney Hill, Murray Road and Guildford Road northbound.

Ottershaw Roundabout

As works progress well on the new Ottershaw Roundabout, we need to close the below section of Murray Road for one night in order to safely carry out some vegetation clearance. Please note that the 3 mature oak trees on Murray Road are to remain.

The red section of Murray Road will be closed in both directions from **8pm-5am overnight on Friday 10th April.**

During the closure, residents access/egress will be permitted via an escort from our traffic management personnel who will be positioned on either side of the closure.

We would like to apologise for any inconvenience or disruption caused and we endeavour to complete any noisy works as early in the evening as possible.

A signed diversion will be in place via Addlestone using:

- Spinney Hill, Church Road, A319, St Peter's Way, and Guildford Road.
