Our Ref: TA24 L38
Your Ref: Guildford Road Temporary Traffic Lights

09 July 2026

For the attention of the homeowner or occupier

Dear Neighbour

Guildford Road Temporary Traffic Signals

To continue our work on the new Holloway Hill Roundabout, we will be installing temporary traffic lights along Guildford Road, Chertsey, outside Salesian School, **from Tuesday 04th August to Monday 31st August.**

The temporary traffic lights will provide our team with the safe working room needed to construct a concrete protection slab – which will allow traffic to safely pass over underground utility services when the road re-opens later this year.

We acknowledge and understand that these lights will likely cause delays and congestion, which is why we have scheduled the work for the school Summer Holidays. We would like to thank you in advance for your ongoing patience and understanding whilst we carry out our work. Please be assured that the temporary traffic management will be staffed and reviewed throughout the work and any necessary adjustments will be made as soon as possible.

Whilst the lights are in place, we will be working alongside contractors from BT, decreasing the need for further traffic management at a later date.

To view the drawings for the new Holloway Hill Roundabout please follow the link below to the Surrey County Council website:
