For the attention of the homeowner or occupier

Dear Resident

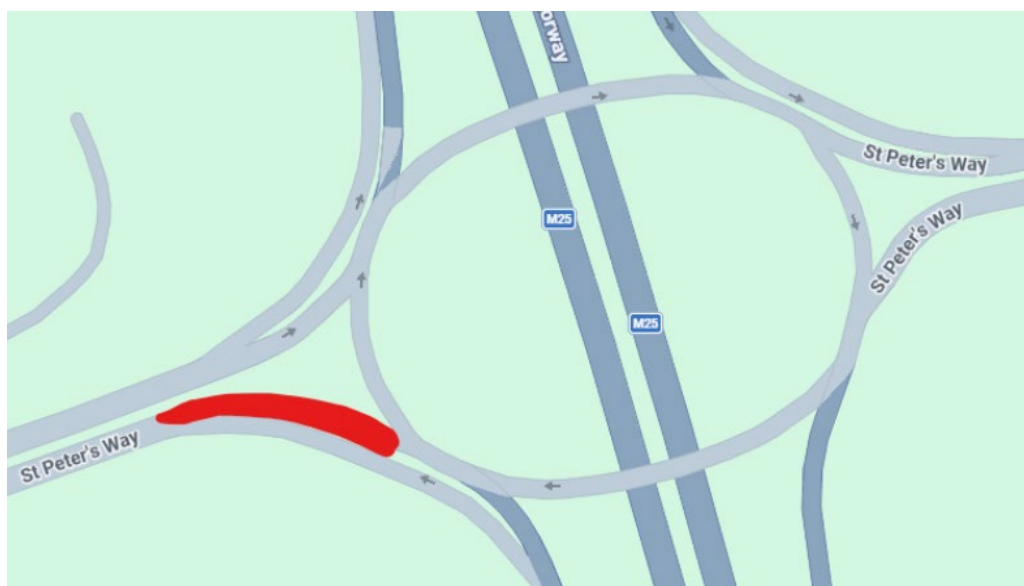

St Peter's Way Westbound Lane Closures

In order for our team to safely remove the sheet piles in the central reservation, we will be closing a lane on the **westbound St Peters Way** carriageway between the M25 J11 roundabout and the St Peter's Roundabout, between **8pm and 5am overnight for 5 nights on Monday 03rd to Saturday 8th August.**

Due to the location of the works area, there will be no access to the St Peters Way Westbound from the M25 J11 roundabout itself (from Addlestone). The carriageway will still be accessible from the M25 J11 clockwise exit slip road.

During the closures, a signed diversion will be in place via St Peter's Way Eastbound (Towards Addlestone), Chertsey Road, Church Road, Spinney Hill, Murray Road, and Guildford Road.

St Peter's Way Eastbound Closure

In addition to the above lane closures, the St Peters Way **Eastbound carriageway** will be closed between the St Peters Roundabout and the M25 J11 for one night, from **8pm – 5am on Thursday 06th August.**

During the closure, a signed diversion will be in place via Addlestone, using the A320 Guildford Road, Murray Road, Spinney Hill, Church Road, Chertsey Road, and returning to St Peters Way.
