Our Ref: TA24 L43
Your Ref: M25 J11 Anticlockwise Exit Slip Closure

24 September 2026

For the attention of the homeowner or occupier

Dear Neighbour

We will soon be starting our work on the M25 Junction 11, where we will be building an additional lane on the M25 exit slips in both directions. The works are expected to take approximately 9 months to complete, and we will be working closely with National Highways in how best to co-ordinate our traffic management on these works. There will be periodic traffic management installed on the junction and full closures will be limited to off peak times where possible.

The works will increase traffic capacity and improve traffic flows, particularly at peak times, at the M25 junction 11. As part of these works, the final roundabout will be fully signalised.

M25 J11 Anticlockwise Exit Slip Closure

The first stage of traffic management to support these works will be a weekend closure of the M25 Anticlockwise Exit Slip at Junction 11. The road will be closed from **11pm Friday 02nd to 5am Monday 5th October**, with a signed diversion route in place via:

- Continuing on the M25 anticlockwise carriageway,
- Exiting at Junction 10,
- Using Junction 10 to turn around,
- Leaving the M25 clockwise at Junction 11.

GRAHAM is a trading style of the GRAHAM Group.

The GRAHAM Group comprises the following companies: John Graham Holdings Limited (Registered Number NI 57921); John Graham Construction Limited (Registered Number NI 3503); Graham Investment Projects Limited (Registered Number NI 71467); Graham Asset Management Limited (Registered Number NI 71100); Graham Projects Limited (Registered Number 341116).
